Are novels ~~who~~ are about adventure something which you are interested in? Yes? Brilliant! Let me tell you about the American writer Suzanne Collins, who's series of books, *The Hunger Games*, has been on the Amazon bestseller list for years!

Collins writes about a place where the poor people of twelve different areas have to deal with the wealthy people where live in the 'Capitol'. Collins has a main character in her books whose name is Katniss Everdeen. She's a young girl whose a rebel and which has got a very challenging, and very dangerous, life.

They've made all of *The Hunger Games* into films, too, if films are something where you're keen on. It doesn't matter if you read them or watch them, *The Hunger Games* are worth your time!
