

hp deskjet 9300 printer

hp deskjet 9300 printer

Businesses get great value, versatile printing up to A3+ with this easy-to-use, colour inkjet printer. A robust performer, it delivers professional print quality on a wide choice of media and fast speeds of 14 ppm black and 11 ppm colour.

Ideal for businesses of all sizes who expect high-quality documents and good performance from a robust colour printer, to create reports, plans, charts, spreadsheets and large diagrams up to A3+ size.

Fast, high quality document production up to A3+ size.

- Brilliant colour graphics and sharp images using HP Photoret III technology with up to 4800 dpi on photo paper.
- Sharp black text printing.
- Fast printing with up to 14 ppm black and 11 ppm colour.
- LED low-ink indicator prevents running out of ink unexpectedly.
- Easy to stop print runs by using the "Cancel" button.

Great versatility of media types and sizes.

- Supports a wide range of media from standard company stationery as well as thick card stock, transparencies, envelopes, labels and cards.
- Printing on thick media up to 280 g/m² through manual feed by using the paper path from the back.
- 150-sheet standard input tray.
- Create a wide variety of collateral like newsletters and brochures without the need for special formatting with HP's exclusive driver features. They transform a typical A4 size document into a vast choice of output sizes.

Robust performance.

- Supports a 5,000 page-per-month duty cycle for robust printing.
- USB hardware interface for plug-and-play of peripheral devices.
- Network upgradable with an optional HP Jetdirect external print server.
- Compatible with Windows® and Macintosh.
