

The image shows a large rectangular frame, likely a workspace or a page layout. On the left side of the frame, there is a vertical toolbar with 14 icons, each with a text label: 'new', 'open', 'save', 'print', 'exit', 'cut', 'copy', 'paste', 'undo', 'back', 'forward', 'desktop', and 'WWW'. The 'WWW' icon is at the top of the toolbar, and the 'new' icon is at the bottom. The main area of the frame is empty. At the top and bottom edges of the frame, there are two rows of eight empty rectangular boxes each, arranged horizontally.
